

**GARDENWORLD**  
**Consultation Questionnaire**

Thank you for scheduling your FREE consultation  
with \_\_\_\_\_

Your appointment is at \_\_\_\_\_ am/ pm on  
\_\_\_\_\_

Below are some questions to get you thinking about your space. Please bring any photos, measurements, dimensions, sketches, etc that may be helpful.

1. What size is the space (total square footage, and shape)?
2. What qualities are you looking for in your specimen plants:  
Evergreen or deciduous? \_\_\_\_\_  
Shade tree or unique specimen? \_\_\_\_\_  
Flowering? \_\_\_\_\_  
Fall Color? \_\_\_\_\_  
Hedge or screening plant? \_\_\_\_\_
3. How tall do you want your tree/shrub to be at maturity?
4. What size plant material do you want to start with? In other words, what is your budget for the project?
5. How much sun does the site you want to landscape receive? Is it North, South, West, or East facing? (A diagram may help.)
6. Does your city, or community have any restrictions for plants and trees?
7. Are there any other site conditions to consider? i.e. sloped, wet location, power lines, large mature trees surrounding, deer etc.
8. Will you be maintaining the property, or you do have a landscape maintenance service?
9. When are you ready to begin planting?

**Please contact us should you need to reschedule, or if you have any other questions.**
